

Flex-Panel™ Door System Warranty

Industrial Insulation Systems, Inc. (the "Company") warrants to the original purchaser of its Flex-Panel™ Door System , that all of the components in the flexible door panel core are free from defects in material and workmanship for a period of twenty (20) years and a one (1) year warranty on all other parts from the date of original shipment under normal use and service. This warranty is limited to replacement (FOB Flex-Panel™ Door System) of malfunctioning parts and does not include damage resulting from accident or malicious misuse.

Exclusive Warranty - No Implied Warranties:

This written and expressed warranty is the only warranty provided by the Company for its Flex-Panel™ Door System. All warranties, which might otherwise be implied in this contract, are hereby excluded from this contract. This includes the exclusion of any implied warrant of merchantability and fitness for a particular purpose. There are no warranties, which extend beyond the description of the warranties on the face hereof.

Exclusive Remedies:

The buyer's exclusive remedy under this warranty or for the breach of this warranty shall be the repair or the replacement of the defective part by the Company. The Company shall repair, or at its option replace, F.O.B. the factory, any part of the product which its examination shall disclose, to its satisfaction, to be defective. No other remedy, including rejection of goods, revocation of acceptance, nor consequential damages for personal or property damage, nor incidental damages shall be allowed to the buyer of this product.

Hardware, Electrical Components, fabric door cover, sweeps, skirts, gaskets and Accessories:

All hardware, electrical components, fabric door cover, sweeps, skirts, gaskets and accessories are warranted to be free of defects in materials and workmanship under normal use and service for one (1) year from the date of original shipment.

Voidability of Warranty:

This warranty is void and of no force or effect, and the buyer shall have no expressed or implied warranties against defects, nor remedies for defects, if any of the following events occur:

- The door(s) are not installed within 120 days of original shipment
- The door(s) are not installed by a factory authorized installer
- The door(s) have been subjected to improper installation, misuse, abuse, neglect, alteration, accident, fire, flood, earthquake or other natural disasters.

This warranty does not include food or product loss, labor or transportation charges for replacement or repair of defective parts. This warranty is nontransferable. The original purchaser is the firm or individual to whom the Company originally sold the Flex-Panel™ Door System.

*Flex-Panel™ Door System is designed to operate within the following temperature ranges with the operator system installed on the warm ambient side of the door:

Interior Freezer:	-30 degrees F. to 32 degrees F. (colder operating temperatures are available)
